MLD-8004

MEMORANDUM FOR: Director, Foreign Broadcast Information Service

FROM : Chief, FBIS London Bureau

THROUGH : Chief, Operations Group

SUBJECT : Monthly Report -- London Bureau -- January 1988

I. GENERAL

1. The dollar made some gains against the pound during the month, but the pound still remains well above the \$1.70 rate of exchange used in the July budget update. This fact, combined with continuing uncertainty about the dollar's immediate future, is forcing the bureau to take further steps to economize beyond steps already taken in the wake of the Headquarters-dictated cuts.
2. BBC announced during the month that Henry Pavlovich, editor for news and publications, will be detailed to Bush House from 14 March through 15 July on a temporary assignment as head of the Southeast European Services. This rotation will preclude his attendance at the annual FBIS-BBC coordination meeting.
3. Long-time bureau engineer [redacted] was seen off in style at an 8 January retirement party in the BBC Functions Room. After a speech by the bureau chief highlighting Mr. [redacted] achievements in his over 40 years with FBIS, [redacted] was presented with the FBIS retirement plaque, the FBIS Career Medal, and a watch. Monitoring Service General Manager Eric Bowman, Chief Engineer David Wilson and other members of the BBCMS management and engineering teams joined bureau staff in honoring [redacted]. Later a scrapbook of pictures of the party and messages from former colleagues at Headquarters and in the field was compiled and presented to the deserving retiree.

II. OPERATIONS

A. Monitorial/Editorial

1. The bureau editorial staff dealt with a total of 17 speeches by Libyan leader Al-Qadhdhafi during the month. This is a record, even for him.
2. Highlights of presstax coverage during the month included the 18,000-word report from the USSR State Committee for Statistics on Soviet Economic Plan Fulfillment for 1987 published in the 24 January PRAVDA. A weekend team of PMU editors and monitors was pulled together to process the report in a timely fashion. The pressfax edition of the 11 January IZVESTIYA gave PMU a scoop with its publication of General Secretary Gorbachev's replies to questions from the

Chinese weekly LIAOWANG.

3. A special evening shift was scheduled for the bureau's designated part-time English monitor, PMU Scandinavian linguist [] to process a late-night interview with Prime Minister Thatcher on the BBC Panorama program. Other priority evening coverage from UK TV was processed by the bureau editorial staff. STAT
4. PMU editors met with Callum MacKechnie, BBC assistant editor for news, on 18 January for a briefing on Newsroom operations and discussions on an SOP for PMU alerts for the Newsroom which would not unduly disrupt PMU pressfax shifts.
5. As part of the bureau's continuing attempts to rationalize its editorial workload, Senior Editor [] completed a detailed study of the East African Unit output, concluding that there is no cost-effective way at the moment of relieving the bureau of this selection workload. STAT

B. Coverage

For the first time since the loss of the high-power transponder on the 14W Gorizont, the bureau had a relatively trouble-free month with satellite coverage of Moscow TV and the pressfax from the 11W and 53E Gorizonts. The only scare came on 11 January, when five pages of the Soviet pressfax were lost owing to problems at the transmit site, but Moscow resolved these in time for the 12 January transmission. BBC made several attempts during the month to monitor the pressfax from the 11W satellite using its two small Caversham dishes in order to free up the 10M ROSET for other coverage, but none of the tests proved successful.

C. Communications

1. The bureau commcenter compiled a list of significant differences between the bureau's locally maintained lateral services list and the latest version of the BACH lateral consumer database. This has been passed to LRB for action.
2. After resolving initial wiring problems, the bureau began sending encrypted traffic on its two Autodin Mode 1 circuits on 6 January.
3. London Bureau once again came to Austria's rescue when that bureau lost its primary incoming circuit from 7 through 13 January. The London commcenter rerouted traffic to Vienna via the VCVC and assisted Vienna in coordination with the Croughton ASC.

D. Lateral Services

At the request of Ambassador Matlock, PMU filed items from the 8 January PRAVDA and the 5 January SOVETSKAYA KULTURA to the embassy in Moscow for use by Senator Bill Bradley in his meetings with the authors of the articles.

E. Technical

1. The bureau continued to be involved in testing of the wideband fax circuit throughout the month and in attempts to help Madley identify the source of the intermittent noise which has been plaguing the circuit since testing began.
2. Islamabad: At the behest of the Embassy GSO, under pressure from the Islamabad Capital Development Authority, the unit on 1 February dismantled the new long-wire antenna which had been erected in November in an attempt to improve Tehran medium-wave reception. The antenna will be relocated within the Embassy compound when a Headquarters engineer arrives the week of 8 February.

III. ADMINISTRATION

A. Personnel

1. Teletypist operator [] resigned effective 30 January. Applicant [] has been placed in processing to replace [] Trainee teletypist [] [] EOD'd 31 January to fill an existing vacancy. STAT
STAT
STAT
STAT
2. Associate editor [] was promoted to FBN-9 on 3 January. STAT
3. Islamabad: [] was promoted to FSN-7 effective 31 January upon his assumption of supervisory duties. STAT

B. Building and Grounds

The BBC has presented the bureau with a cost breakdown for FBIS requirements for bureau consolidation, now expected to begin in late 1991. According to the bottom line figures FBIS would be expected to pay £96K and the BBC £127K. These costs, which do not include the 10% professional services fee, wiring costs or VAT, will be used in drafting the 1991 Program Plan.

IV. VISITS

To the bureau: FED Deputy Chief [] on 21 and 22 January for bureau familiarization and talks with the BBC, including a visit to Crowsley Park, and the bureau; Chief Tel Aviv Bureau [] [] on 25 January for talks with the BBC Newsroom and Part 4. STAT
STAT
STAT

To Islamabad: John C. Daniels, U.S. Embassy counselor for administrative affairs, for a tour of the unit and a briefing.
